

A Personal Welcome To Southern Cross School K-12

By sending your child to Southern Cross School K-12, you can be assured that you have chosen an excellent school with exemplary teaching and learning programs supported by a wide variety of extra curricular activities.

Southern Cross School K-12 is a dynamic, caring learning community where students can achieve according to their abilities, needs and interests. A broad range of subjects are taught by specialist teachers. Our results are outstanding and we are proud to see our students develop into productive members of our community.

Our school is situated in a beautiful natural setting where your child's education can be nurtured in a supportive environment from Kindergarten through to Year 12.

Thank you for taking an interest in Southern Cross School K-12. Please call 0266 86 0503 if you would like further information, or to arrange a visit to the school.

John Baker

Creating Successful Futures

The Best Choice in Primary and Secondary Education

Kindergarten to year 12 students enjoy a wide range of learning activities with a strong focus on basic skills delivered by highly qualified and dedicated staff.

Each year our students gain excellent results in the Higher School Certificate (HSC) and many continue their study at university or TAFE while other students gain full time employment.

We aim to develop our students' confidence and self esteem through programs that foster integrity, respect, cooperation, care, democracy, excellence, responsibility, participation, fairness and self discipline.

Strong Academic Traditions

One of Southern Cross School K-12's great strengths is the wide range of subject choices delivered by specialist teachers. Students acquire a sound foundation in the core subjects of English, Mathematics, Science, Human Society & Its Environment (HSIE) and Personal Development Health & Physical Education (PDHPE) as well as a range of electives catering for individual interests and goals.

Southern Cross School K-12 offers an extensive range of senior study options at all levels, including vocational educational and training programs that allow students to study a vocation and gain specific occupational skills whilst at school.

Fostering Individual Potential

Southern Cross School K-12 students benefit from:

- A homework study centre which provides after school tutoring.
- Goal setting and study skills program for students.
- Mentor programs for all students in years 11-12.
- Career counselling.
- A 25 hour senior Crossroads course.
- K-6 integrated social skills program.
- K-6 structured play at recess and lunch.
- A successful school to work program.

Citizens of Tomorrow

Our students prosper in a safe, caring and creative environment that develops respect, understanding and responsibility. We have an effective welfare and discipline program with a focus on social skills, decision making and citizenship.

Enrichment

Language students benefit from study and cultural program visits to Japan, New Caledonia and France. There are opportunities to participate in state wide competitions, Self Select program, camps, social and academic excursions, strong debating and public speaking programs, concert band and choir for years 3-12 and Environmental Education.

Modern Equipment and Facilities

- Two comprehensive libraries and video conferencing facilities.
- Four specialist information and communication laboratories.
- A modern Multimedia Film and Video laboratory.
- Two fully equipped Food Technology and Hospitality kitchens.
- A large variety of indoor and outdoor sporting facilities including an international standard basketball gymnasium.
- Fully equipped Visual Arts rooms with a dark room, digital editing studio and ceramics workshop.
- Six purpose built and equipped Science laboratories.
- Fully equipped Industrial Arts and design workshops.
- Music, dance and performance studio.
- State of the art Music recording studio.
- K-6 and 7-12 Canteens.
- Success Shed—an innovative classroom.

Sporting

We have a strong history of sporting excellence. Participation in sport builds teamwork, confidence, health, and leadership in our students. We offer specialised football training, a full range of competition sports, participation in inter-school sports, dance groups, school carnivals in athletics, swimming and cross country, Kinder gym program, surfing championships and opportunities for regional, state, national & international representation.

Distance Education

Southern Cross School Distance Education Centre is another specialist unit within our school. The Distance Education Centre plays an important role in offering full time and single subject education to students in years 7-12.

Community Participation

At Southern Cross School K-12 we are committed to our community. Students participate in community events and activities: ANZAC day, environmental protection, fundraising for various charities and community music events.
