NAPLAN 2010

Dear Parent/Carer

I would like to provide the following advice to you to indicate the situation for our students at Southern Cross School K-12 in years 3, 5, 7 and 9.

The NAPLAN tests will be undertaken at our school next Tuesday, Wednesday and Thursday,(11, 12 and 13 May). I anticipate at this stage that the supervision will be undertaken by teachers who know our school and students.

The Year 3 and 5 students will sit their tests in the K-6 Hall. Year 3 will undertake their tests from the start of the school day until approximately recess. Year 5 students will undertake their tests after recess and finish by lunch time.

The Year 7 and 9 students will be tested in the gymnasium, with Year 7 undertaking their tests on each morning followed by the Year 9 students.

Students must attend these days in full school uniform. No mobile phones or ipods will be permitted in the test centres (Hall or Gym).

The students will be fully informed of the procedures for the testing regime during each test.

Parents/carers who have questions about these tests can contact me at the school.

Yours sincerely

John Baker
Principal
